## A message from the President

---

Welcome to the Sharks basketball family.

It is with a great deal of warmth that I welcome you all to the Sharks Basketball Club. I especially welcome new players, both senior and junior, and your families. I would also like to extend a welcome back to our returning members.

Sharks Basketball Club is a family orientated basketball Club operating out of Geelong and playing within the Basketball Geelong competitions. The Club has for many years, developed itself into a great sporting organization that families find irresistible to leave. This is due to the strength of the Committee, the warmth of the people and the manner in which we conduct our business.

I trust that your stay with the Club will be long, fruitful and fulfill your expectations. Should you wish to discuss any matter with me or any other member of the Sharks Committee, please feel free to do so.

Paul Bugg  
President

The Sharks Basketball Club, commonly referred to as 'The Sharks', is a large domestic basketball club located primarily from the southern suburbs of Geelong, namely Grovedale, Waurin Ponds and Belmont areas.

The Sharks commenced playing some 28 years ago, in 1992, and have been a member of Basketball Geelong during this time.

The Sharks Basketball Club has been fortunate enough to foster and develop players through their basketball careers, with representation at Geelong Supercats, Geelong Lady Cats, State Representatives and many representatives within the Victorian Junior Basketball League as part of the Geelong Representative Program.

The Club has also the benefit of a vast range of experienced, dedicated and knowledgeable coaches, who lead our development programs for the players.

Using the internet and electronic communication is a vital means of communication between Club members.

However with this form of social media, Basketball Victoria and the Club have become concerned with the number of complaints regarding episodes of bullying, harassment and general anti-social behaviour. This sort of behaviour will not be tolerated, and has led to numerous Tribunal appearances for those involved and generally lead to suspensions.

Please take the time to read the Communication and Use of New Technology Policy that the Sharks Basketball Club has adopted and is posted on the Club website.

Before posting on any form of Social Media –

# THINK

Is it *True*?

Is it *Helpful*?

Is it *Inspiring*?

Is it *Necessary*?

Is it *Kind*?

If you cannot answer **YES** to all of the above, then it is probably not best to post it in a public forum.
